French Drivers Closely Followed by Betting-Americans Are Depending on Durability to Win Against Speed

INDIANAPOLIS, May 29.—Dawson winner of the 1912 race, was probably fatally injured when his car, 24, turned over and pinned him and the mechanic under it. Both were taken to the local hospital and it was stated Dawson's back was broken, but it was later denied by physicians.

The mechanic was not badly hurt. Dawson's machine was overturned when he tried to avoid Gilhooley's car.

Gilhooley's car 49, overturned on the southwest turn and both the driver and the mechanic were taken to the hospital. Both thought to have been seriously injured.

The first hundred miles was completed by the leader, Thompson, at the rate of more than 37 miles an hour. Thompson was followed by Duray, 14, and Bragg, 21, in the order named.

Guyot and Duray were fighting for first place when the 150-mile mark was reached, with the latter in the lead at that time. Bragg was in third place. The race was 146 1/2 miles.

Chassagne's car, No. 12, overturned on the northeast turn and the mechanic, J. Morris, was rendered unconscious but not fatally hurt. Chassagne's car was overturned and he was taken back into the race.

Thirty cars, representing 14 nations—Belgium, Italy, France, Germany, Italy and Belgium—frantically tried to get into the race. Indianapolis motor speedway today in the fourth annual 500-mile automobile race.

The French drivers are favored in the betting in the closing stages, and foreign cars showed more speed, but the race is decided on the durability of their mounts to enter the fastest to start. The number of the car, the driver and the country are required for each car.

HIGHTOWER DECLARED DEMOCRATIC NOMINEE

He Wins for County Commissioner Over C. G. Turner by Action of Executive Committee

By a vote of eleven to eight the Fulton county Democratic executive committee Saturday afternoon declared T. J. Hightower, Jr., the nominee of county commissioner over Charles G. Turner. Those who voted in the minority wanted Mr. Hightower and Mr. Turner to run over in the state primary on August 19, without cost to them. Mr. Turner requested the recount, after Mr. Hightower's request was sent against Mr. Turner, therefore Mr. Turner should have been the nominee.

WOMEN AND CHILDREN IN GRIM PILE OF DEAD

Heartrending Scenes Are Witnessed in Rimouski, Where Rescue Ships Unload Bodies of Those Who Perished

(By Associated Press.)
QUERBEK, May 29.—According to the latest estimate issued by officials of the Canadian government, 984 persons lost their lives when the steamship Empress of Ireland was rammed and sunk on the night of May 10. The survivors number 403.

With the survivors safe in Quebec, where their wants are being given every possible care, attention was turned today to the bodies of the dead who are in progress. Up to an early hour today 399 bodies had been landed there.

The dead were piled in tiers, making it possible to closely scrutinize the bodies for purposes of identification. The bodies were so closely packed that this work was earnestly undertaken by the local authorities. It was expected that the bodies would be many more than the 399 who had been landed.

Barons Score Winning Run In Ninth Inning

Stewart's Single in Last Half of Ninth Inning Wins Game for Birmingham—Tommy Long Hits Homer With Kircher and Eibel On

BY ELLIOTT DENT.
BIRMINGHAM, Ala., May 29.—Friday was ladies' day in Birmingham and a large crowd of the fair sex turned out to witness what proved to be a long but interesting contest.

There were many fine plays and numerous hits which tended to make it an exciting game, until Birmingham disposed of the last Cracker.

After Stewart had been retired on strikes, Kircher, the Barons' leading batter, drove the ball to deep left center for the circuit.

The Barons scored three more in the sixth. Carroll leading off bunted safely past the pitcher, Marcan followed with an infield hit, the ball bouncing over the pitcher's head, both men advanced on McBride's sacrifice. Kirby was purposely walked, filling the bases.

McBride hit to second, forcing Kircher; Carroll scoring on the play. Eibel scored second and scored along with Marcan on Covington's two-base hit to right field.

In the eighth the Crackers came within striking distance of the Barons by scoring three runs. With two out Kircher singled to left, Eibel walked and both men scored with a sacrifice. Covington for the second time during the game through with a pinch hit, driving both men across the plate.

The check-up signs were very much in evidence on both sides in the ninth. In the Crackers' half Jennings led off with a single to right, Flanagan walked but was forced by Holland, who hit in place of Dunn. Tyre hitting for Williams, beat out an infield hit, Jennings scored on McCormick's sacrifice. Holland going to third, Kircher beat out a lead single and scored. Eibel came through with a pinch hit, driving Kircher with the time run. At this point Manager McIlwain during Robertson, Johnson taking up the burden. He succeeded in driving the next batter past every scoring.

Following was sent to pitch for Atlanta in the ninth. The first two out an infield hit Marcan walked and Stewart's single scored the winning run.

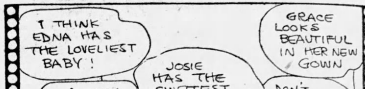

While the game abounded with spectacular plays, Eibel's wonderful play on a ball hit by Eibel in the sixth inning with two men on the bases and nobody out, forcing McConnell at third, was the real feature play of the game. This play absolutely saved the game for the Barons.

Matt Williams, the new Cracker pitching acquisition, showed great speed and a fine curve ball. He, no doubt, will prove a most useful addition to the pitching department. This being his first start during the season and the day being unusually hot, accounts for his poor start.
